More than 100 tornadoes reported since Sunday! The South and Midwest count the dead and the damage! Tornado outbreak! Our new video, twisters **bearing down!** "Turn around, turn around, back up, turn around!" And tonight, could these storms **double back** and hit the same towns again? From ABC news, world headquarters, this is ABC World News with Dain Sawyer! We move on now to the **epic new outbreak** of tornadoes. 22 million Americans still on alert in the tornado zone and the map shows where at least, 128 twisters were reported since Sunday! ABC's Steve Osansami in the center of the storm zone as new video comes in tonight, Steve!

Good evening Diane, this was someone's office that was surrounded by glass, but today, it is out in the rain! People across this region who are just beginning to recover from Monday's tornados are in the danger zone again! Danger tonight in eastern North Carolina! They've spotted this tornado moving south west! "This touching down! This touching down!" Across the south, they just can't get a break! Marilee Thomson worries more storms might wash what's left of her home away! "Right here and right over there, watching TV and Christmas and all that, but it's gone!" Earlier reports show that this deadly tornado that struck Tupelo Monday was an EF-2, the highest winds near 135 miles an hour, damaging or destroying more than 2100 homes. Here is how the tornado looked from what appeared to be safe distance in Midway Mississippi. He was still too close and lucky he wasn't electrocuted!

High risk! A rising toll from this multi day tornado outbreak in the south! And there is another tense night ahead for tens of millions! Fighting back! Why some famous men are speaking up with a powerful message about the threat to young woman on college campuses? This is NBC Nightly News with Brian Williams, reporting tonight from Los Angeles! Tonight we turn now to what's shaping up as a third straight night of violent weather across parts of the south! Death toll across the region now stands at least 34. Before and after photos of one neighborhood in Velonia Arkansas just begin to show what this weather is capable of
