CBS News in Washington Face the Nation with Bob Shiffer! Today on Face The Nation, breaking news on Ukraine and the mystery of Malaysian air flight 370! It's been more than a week since the plane **vanished**, but authorities now say they know why the plane went off course and it wasn't an accident! "This movement, uh, **consistent with deliberate action** by someone on the plane!" We'll have the latest from Malaysia and our team of CBS aviation experts including former US Air pilot Sally Solinverger! Then we'll ask the chairman of the House Intelligence Committee Mike Rodgers what he knows about the plane's disappearance! Then we'll turn to the other big story! A vote today in Crimea and the crisis over Ukraine! What can the US and our allies do if Russian president Vladimir Putin tries to **annex** the former Soviet State! We'll hear from former Obama national security adviser Tom Donilin and a panel of experts about that and the developments! 60 years of News, because this is Face the Nation! And good morning again, as I said earlier, there is breaking news now on Ukraine! The Russian foreign minister Rovelov and Sectary of State Kelly have agreed in a phone call, according to the Russian ministry, to seek resolution to the Ukrainian crisis thru what the news really says, is a **constitutional reform** in Ukraine! That is the sum total of our knowledge of this! It just came over the wires! Our state department correspondent Margret Brennon has more on this! Margret! What did you have been able to find out about this? Well, Bob, this is base of a press release from the Russian Foreign Ministry, leading out a phone call between Rovolov and Kelly that just happened. And it's the first time that we've seen any sign of diplomatic **give on** the part of Russia. So that's why there's some excitement about it! But US officials, US diplomats tell me this is a longer term process. This doesn't seem to be an immediate solution!

Today, Sunday, March 16th, 2014. From NBC News, this is Today with Lester Holt and Erica Hill ilive from Studio 1A in Rockefeller Plaza. And welcome to Today on this Sunday morning, I am Erica Hill. And I am Lester Holt alongside Jenna Wolf and Dillan Dryer. Malaysia Airline's flight 370's been missing for 9 days now! It is of course our top story! This morning, investigators are taking an even closer look at the pilots of that missing jet! They are examining an **elaborate** flight simulator that one of the pilots had in his home! They are not, however **ruling out** the passengers, nor they're ruling out ground crew! They are looking at everyone!
