The terror attack in Manchester England by a suicide bomber, many others are wounded. Tonight words of **caution**. "The third attack maybe **imminent**." And **defiance**. "The attempt to divide us met countless **acts of kindness** that brought people closer together" Also tonight, the Russia investigation. "Did you see evidence of **collusion, coordination, conspiracy** between Donald Trump and Russian state actors?" A new study says even one drink a day can raise the risk of breast cancer. All that and more. Roger Moore. We will remember the man who played Bond "James Bond!" This is the CBS evening news with Scot Pelly reporting tonight from Manchester England.

"You missed Mr. Bond. Did I? As you said, such a good sport!" Moore played Bond in 7 films and often wondered what kind of spy he is recognized everywhere he goes? His big break came on TV in 1960s playing The Saint, a kind of **Latter Day** Robin Hood. Post Bond, Moore was active in **charity** and became a goodwill ambassador for UNICEF. Roger Moore died today of cancer. He was 89. And we'll be back in a moment from Manchester.

Breaking news tonight. The terror threat here in Britain raised to its highest level. Fears, another maybe **imminent**. The military being **deployed** as ISIS claims responsibility for the concert **massacre**. A suicide bomber targeting children seeing pop superstar Ariana Grande. An 8-year-old girl among 22 dead, dozens injured. And remembering Roger Moore. Reactions pouring in to the death of a beloved Bond. Nightly News begins right now. This is NBC Nightly News with Lester Holt, reporting tonight from Manchester, England.

Tonight, reaction is pouring in about the death of a beloved Bond. Sir Roger Moore, best known for playing the famous British spy 007. His family says he **passed away** after a short battle with cancer at the age of 89. NBC's Anne Tomson looks at his life and legacy.

My name is Bond, James Bond. In 7 films, Roger Moore made James Bond **debonair**. "Can you swim?" **Portrayal** even he acknowledged was marked by humor, more than acting skill. "Would you like me to drive?" His version of the British spy with The License to Kill, always compared to the original Bond... Sean Connery. "Sean physically is much tougher in the visual land." So good looking, one critic said of Moore, he was often prettier than his leading ladies. And while critics didn't love him, the fans did. Moore is the actor who played the secret agent the longest. Off screen, he worked for years as a UNICEF goodwill ambassador, advocating for children around the world. For his work,

Moore was **knighted** in 2003. Born a London policeman's son, now forever a master spy. Anne Tomson NBC News.
